

The Director
Central Intelligence Agency

Washington, D. C. 20505

10 May 1977

Dear Mr. Stever,

Thank you for forwarding the resolution of The General Society, Sons of the Revolution, passed at your Triennial Meeting in Philadelphia.

I very much appreciate your expression of confidence in the CIA and the Intelligence Community and assure you that we are continuing to maintain a U. S. intelligence capability second to none.

With very best wishes, I remain,

Yours sincerely,

A handwritten signature in dark ink, appearing to read "Stansfield Turner", written over a light-colored background.

STANSFIELD TURNER
Admiral, U.S. Navy

Mr. Ralph B. Stever
